

We've been Really

Good Honest

Dear Santa,
I just want to remind you of all the dogs here at Rikki's. What with Vincent taking the spotlight all the time. There are still a lot of us even though the cats do outnumber us. Because I am a wise and caring old dog I will speak for all of us. We want toys! Lots of toys to keep us busy during the long boring days of winter. And treats! Lots of treats and lots of food! Yum, yum, yum I can already taste it now...

Love,
Sonny

Donation \$15
for canned food for one meal for all

Dear Santa,
For Christmas, I'd like to hop right through winter and skip ahead to the spring time. I want a new spring garden! Do you think you can help with supplying the posts to build a fence? Some homegrown carrots would be so nice. I'll just close my eyes and dream about spring and tasty vegetables.

Love, Turnip the Bunny

Donation \$20
for fence posts

Dear Santa,
I've been really good this year! I get along with all the other animals in Rabbit Rotunda, even the pheasant! Isn't that nice? Can you please send me some yummy cracked corn and straw to keep me warm this winter?

Love,
Poofy

Donation \$45
for cracked corn & straw

Dear Santa,
Can I tell you a secret? I don't want a white Christmas! No sir, not me, it gets too hard to find my food! I can't graze when it snows and then you have the cold to deal with. I know at some point it will snow this winter so please send me some nice hay or yummy cow feed to eat and straw to sleep on. That is all I want for Christmas.

Love,
India

Donation \$16
for a bale of hay and bag of feed

Dear Santa,
I knew I'd be on your Nice List even though some people say I'm a bad goat. You know that us goats just like to play head-butt the human cause we like them! For Christmas can you send me lots of yummy food to last me and my other goat friends through the whole winter? I know that's a lot but I promise to a better goat this year if you help us. No more climbing on the picnic tables or head butting knees...well, I'll do my best anyways.

Love Jessie

Donation \$100
3 months of food and hay
