It was tougher than we'd expected. Sorting thru lovely pictures. Having to chose only 12. We're working on the calendar now - watch the web site [www.RikkisRefuge.org](http://www.RikkisRefuge.org) so you can get your calendar as soon as they are ready.

July Dog by Krissy Cooper and November Cat by Jean Evans are the top winners - there was a judges tie between cats and dogs !!!!

Congratulations to the winners and thank you to all who participated. We obviously have a few outstanding artists here. By the way, neither Jean nor Krissy were on the judging panel, they just have a lot of fabulous animals! We love how many of them were seasonal.
